

Nagging Doubts

Have you ever felt like you made a wrong decision or gave someone less-than-effective counsel—even doubted God’s presence or the call He placed on your life? Sadly, pastors and their families struggle with doubt and uncertainty like everyone else.

Join host H.B. London Jr. and his guests as they help to demystify the topic of nagging doubts. You’ll hear **Brian Jones, Wayne Cordeiro** and **Glenn Wagner**.
